

Mariona Duran Oliu

My name is Mariona, and I was born on November 5, 2001. I'm passionate about audiovisual media, creative expression, and all forms of art. I'm sociable, creative, and positive. I have a driver's license and my own car.

Alongside my university studies, I gained experience across ten different roles, which allowed me to develop strong adaptability, responsibility, and a solid work ethic. This résumé highlights only the most recent and relevant positions aligned with the professional path I aim to pursue and the opportunities I am currently seeking.
